I have nothing but praises for Dr. Mortazavi and his wonderful staff. I have been a patient with Dr. Mortazavi for the past 12 years. I have always received excellent attention from the front desk while checking in to making my next appointment. I am very lucky to being seen by Marissa Marion PA. She always goes above and beyond to make sure that I understand everything about my medications. Marissa never rushes me and always takes the time to listen to any problems that I have. She cares for my personal well being as well as my medical issues. I am very lucky to have found this practice.

Thanks,
Cheryl
